Washington Letter.

(From our Regular Correspondent.)

WASHINGTON, Aug. 24, 1891. Why has Mr. Harrison cut short his vacation and determined to return to Washington early in September, is consequence is that every imaginable sort of in portant business is being put forward as the cause of this supposed to be sudden determination, but the most generally believed story seems to is the selection of some one to take Secretary Noble's place, as there is the best authority for stating that Secretary Noble is extremely anxious to lay the head of the Pension Office the most important, as far as size and cost are concerned, of the bureaus under the Interior Department, but both of

There is another important matter ican newspapers he finds a great deal World's Fair by sending exhibits, it Department that may have had someof entirely original matter that will has taken no steps toward a change in thing to do with bringing the President furnish him with many new ideas the present laws, which prohibit the home ahead of the time he expected to dictment against Thomas Wood for which may be found useful should be landing of citizens of China in this come.
